Fun and Games!

One of the goals of this rally is to get to know one another outside the usual business of Church. And what better way than over a Crokinole board or playing 'Pig' across a ping pong table! Saturday evening is strictly for fun and laughter and maybe even some silliness! Not to be missed!

Food and Fellowship!

As our guests we are determined to greet you with good old-fashioned Stouffville hospitality – it's our specialty! Come with an appetite for scrumptious food and 'sit-back-and-relax' fellowship! A love-offering will be taken to cover the costs!

Prayer, Praise, and Preaching!

The highlight of our rally will be the Word shared by Rev. George Middleton. Rev. Middleton is a longtime friend of Stouffville Memorial Christian Church. A former missionary to Ethiopia and founder of Emmanuel International, he and his wife Dorothy now serve the orphans and street people of Ethiopia through International Co-ordinated Christian Ministries. Rev. Middleton has a deep love for the Lord and a passion for the poor of Ethiopia. He is a uniquely gifted communicator and has been used of the Lord to challenge many young people to lifelong service for Jesus Christ. I know you will be glad you came to hear him!
